

North East Public Health Conference 2019

Purpose, Partnership and Passion – Harnessing our strengths to reduce health inequalities across the North East

Abstract Submission Form

Form Guidance

This form is to be used to submit abstracts for **oral** presentations to share practice from across the North East which have focused on reducing health inequalities. We are encouraging submissions from each local authority area across the lifecourse - starting well; living well; and ageing well.

The closing date for abstract submission is cop on **7 December 2018**. For further information please contact michelle.mancini@phe.gov.uk
