Fuse PAW Future Topics

Scott Lloyd

Advanced Public Health Practitioner

Public Health South Tees

On behalf of the Fuse Physical Activity Group

Looking back

- In person events:
- #FusePAW1 – Showcasing our research from the region
 - #FusePAW2 – Active Travel (Ashley Cooper)
 - #FusePAW3 – Physical activity and children (Esther van Sluijs)
 - #FusePAW4 – The measurement of physical activity (Paul Kelly)
 - #FusePAW5 – The role of physical activity in prevention and treatment of excess weight (Nick Cavill)
 - #FusePAW6 – Physical activity in an ageing population (Bob Laventure)
 - #FusePAW7 – Physical activity in pregnancy and the early years (Charlie Foster)
 - #FusePAW8 – Physical activity and inequalities (Mark Tully)
 - #FusePAW9 – Physical activity and the prevention and treatment of long-term conditions (Adrian Taylor)
 - #FusePAW10 – Celebrating and reviewing the first ten #FusePAW!
 - #FusePAW11 – Physical activity policy and implementation (Charlie Foster/Beelin Baxter)
- Zoom events:
- Physical Activity and the Daily Mile (Peymané Adab)
 - Physical Activity, the Environment and Wider System Change (Jim Sallis)
 - Is 20 plenty for health? (Ruth Jepson)
 - From science to the real world (Adrian Bowman)
 - The Power of Football: Improving Health & Physical Activity in the Community (Michael Salla/Andy Smith)

Looking forward

- One in-person event annually, likely a full day
- Various Zoom events annually
- But what topics do you want covered??
 - Repeat one that we've already done?
 - Something else?
